A&P Technicians that hold an Inspection Authorization must meet the same regulatory activities each year, even though the FAA only provides endorsements every odd year.

Seminar participation is one activity used for renewal. If you don't meet regulatory currency the even year, you cannot exercise privileges until you take an oral test with the FAA. For Flyer Info, visit FAASafety.gov

Directions: Hilton Hotel Conference Rooms

Message from the National Safety Program Manager:

Safety is a learned behavior...Learn to be safer at the Learning Center found on FAASafety.gov
